HOPE

2024

# ABOUT US

Volunteers of America Western Washington is a Christian faith-in-action organization united in service to God and humanity with a vision to build healthy, safe communities.

Compassion, healing, and hope motivate us. These building blocks of our faith are at the heart of programs and services for our neighbors struggling against poverty, homelessness, mental health, substance use disorder, and trauma.

Last year, we served more than 316,000 children, teens, and adults from all backgrounds. And the need continues to build.

Our mission is to empower people and strengthen communities in need, guided by core values of respect, integrity, stewardship and empathy.
