Commitment to Access For All: Financial Assistance

VOA's Carl Gipson Center is committed to serving all members of our community. If you cannot afford the cost of either membership, please request financial assistance by checking a box on the Membership Application, and one of our staff will contact you discreetly to discuss assistance.

Payment Policies

All Membership Categories:

Non-Refundable & Non-Transferable: Memberships at the Carl Gipson Center (CGC) are non-refundable and non-transferable to others.

Upgrade Membership: In the event that a member with a Regular Membership would like to upgrade to an All-Access Membership, they may do so by completing a Membership Change Form and submitting by the 1st of the month. Initial payment made by a member upgrading may be applied to All Access membership if upgrade occurs within nine months of initial payment.

Policy changes: The CGC may amend membership and payment policies at its discretion.

Rate Changes: The CGC may, at its discretion, adjust the annual and monthly rate it charges for the Regular and All Access memberships, and will provide a minimum of 30 days' notice prior to such a change.

Termination: If members wish to terminate or change their membership in any way, they must inform the CGC by completing the Membership Change Form

All Access Membership:

Payment Options/Pro-rating: One-time annual payments may be made by cash, check, credit or debit card. On-going monthly payments must be made by credit card draft and require completion of the Recurring Payment Authorization Form. The first payment is made at the time of membership registration or renewal. The CGC does not pro-rate monthly membership fees.

On-Going Monthly Drafts: The CGC will run payments via credit card draft on the 5th of each month for the current month. If the 5th falls on a weekend, the CGC will run payments on the business day immediately following the 5th. On-going monthly drafts are part of a continuous membership plan, and an individual's membership will remain in effect until they initiate its termination through a Membership Change Form.

Leave of Absence: All Access Members who have enrolled in monthly bank or credit card drafts may place their membership on hold for a maximum of three months in a twelve month period by completing and submitting the Membership Change Form prior the 1st of the month in which the leave is requested to begin. In the event that an All Access member chooses to terminate their membership prior to paying a total of \$30 during their 12-month membership period, the CGC will charge the remaining balance up to \$30 upon termination. This charge does not apply to members who receive financial assistance.
