Volunteers of America Western Washington is seeking compassionate and dedicated employees who care about social justice and desire to make a difference in others' lives by enhancing every aspect of the lives of adults with disabilities. Come be a part of what we do and make a difference every day!

GENERAL FUNCTION:

The Program Manager is responsible for the oversight and execution of day-to-day functioning of their assigned supported living program site(s):

- Some training and all scheduling of staff to meet client and agency needs.
- General case management of assigned client caseload.
- Maintain positive communication with families and guardians, the community, other collaborative agencies and persons, and DDA.
- Ensure clients receive supports identified in their PCSP/IISP. Ensure staff follow the Residential Guidelines and properly document.
- Understand and operate within the WACs, DDA, and VOAWW policies that govern community residential programs.

QUALIFICATIONS:

- Bachelor's degree in a related human service field or at least two years of experience working with developmentally disabled persons; experience in a supervisory position strongly preferred. Related experience can be substituted for educational requirements.
- Required, as a condition of employment, to obtain: CPR/First Aid certification, Nursing Assistant Registration within 120 days of employment, and to attend the required trainings as scheduled. Must pass (90%) the Mandated Reporting Post-Test.
- American Sign Language (ASL) skills preferred but not required.
- Must be organized and able to work independently.
- Knowledgeable and skilled in all MS Office applications.

- Effective organizational and interpersonal skills including written and verbal communication.
- Accepts responsibility for one's own actions and follows through on commitments.
- Must have and maintain an acceptable background check record per State guidelines.
- Must have reliable personal transportation and the ability to safely transport clients via personal and/or agency vehicles as well as obtain the necessary VOA training to do so.
- Demonstrates the necessary attitudes, knowledge and skills to deliver culturally competent services and work effectively in multi-cultural situations.

PRINCIPAL ACTIVITIES:

- Ensures that needed health care services to clients are provided in a consistent, timely, appropriate and coordinated manner.
- Case management of assigned caseload that includes, but is not limited to:
 - Create Individual Instruction Support Plans (IISP).
 - Create six month summary goals as it relates to the clients IISP.
 - Participate in the creation and ongoing maintenance of each client's Positive Behavior Support Plan, when applicable, in partnership with the Regional Director.
 - Maintain client and agency releases on an ongoing basis.
- Works with clients directly. Ensures that client's living spaces are maintained, safe, and healthy environments.
- Ensures that clients and staff are knowledgeable of emergency procedures on site.
- Maintains positive contact and communicates regularly with clients, guardians, and DDA.
- Provides supervision to staff, including written evaluations and discipline.
- Arranges and facilitates regular staff meetings.
- Participates in ongoing scheduled agency training sessions.
- Program Manager is on-call for their assigned sites 24 hours a day, Monday-Friday, though weekend on-call status will be handled on a county by county basis.
- Coordinates with the Financial Specialist to ensure client financial records are accurate and appropriately maintained.
- Responsible for management of site service hours and overtime.
