

INCREASE ACCESS TO
**NUTRITIOUS
FOOD**
IN OUR COMMUNITY

#projectharvestsnoco #FeedSnoCo

Powered by volunteers, Project Harvest aims to get nutritious food into the hands and bellies of our hungry neighbors through partnerships with Snohomish County farms and food banks.

Want to Get Involved?

- ⇒ **Volunteer** join the Glean Team and harvest surplus produce at local farms or in your neighborhood.
- ⇒ **Plant a Row** grow an extra row or two and call on the Glean Team to harvest the bounty for you.
- ⇒ **Spread the word**
