August 2019

Co-Parenting

3 hours*

This expert-compiled Co-Parenting class will assist parents and others in a co-parenting role, navigate the challenges with divorce, separation, foster care, or other family disruptions. Students will explore changing family dynamics & relationships while centering their focus on the child's needs and best interests. Upon completion, students can apply their new communication tools right away so they can co-parent more effectively, and & raise their children in a healthier environment for all. To RSVP, please call **425.212.3929**.
